NEW

GRANPA & ZOE MISSION: LIGHT

Duration 28 mins

Produced by 3D Emotion & Mediastro Promotion

Public Children aged 6+ and adults

Follow the adventures of GranPa & Zoe on their mission to save light.

Discover the great 3D animations made by 3D Emotion, the studio that had developed the animations for the award-winning shows Polaris & Lucia.

LUCIA, THE SECRET OF SHOOTING STARS

Duration 31 mins

Produced by Saint-Etienne Planetarium

Public Children aged 6+ and adults

Shooting stars and meteorites are fascinating and mysterious. Lucia, James and Vladimir will study the Moon, asteroids and a comet to find out their origins!

Another great adventure for James & Vladimir. Discover their first adventure with the show Polaris.

POLARIS, THE SPACE SUBMARINE AND THE MYSTERY OF THE POLAR NIGHT

Duration 29 mins

Produced by Saint-Etienne Planetarium

Public Children aged 6+ and adults

James, a traveling penguin from the South Pole, and Vladimir, a funny bear from the North Pole, meet on the Arctic sea ice.

They observe the stars together, wondering why the night is so long at the poles of the Earth. Novice astronomers, they are trying to solve this mystery by reasoning and observation.
